

(start belt #5)

Senator Simpson, voting aye; Senator Skarda, voting aye; Senator Snyder, voting no; Senator Stahmer, voting aye; Senator Stromer, voting no; Senator Stull, voting no; Senator Syas, voting no; Senator Waldron, voting aye, Senator Warner, voting (no response); Senator Whitney, voting no; Senator Wiltse, voting no. Senator Warner, voting aye. 21 ayes, 18 nays and 10 not voting.

SPEAKER: Motion fails. Any further business on the Clerk's desk.

CLERK: Read committee report from Public Works.

SPEAKER: Any further business?

CLERK: Read notices of committee hearings. Resolutions 8 and 108 will be inserted in the Journal. That is all Mr. President.

SPEAKER: We are now ready to proceed to General File, as I read my sheet up here there are two bills bracketed for today on General File, LB288 and LB48. Are you ready to take up LB288? That is Senator DeCamp's, he is gone isn't he?

CLERK: Yes.

SPEAKER: Pass it over.

CLERK: Let me make an entry on that.

SPEAKER: Senator DeCamp are you ready to take that up?
Senator DeCamp.

SENATOR DE CAMP: LB288, that is the lottery bill? Mr. President, members of the Legislature, I'll be very, very brief because in the last three years I think I have passed out a great quantity of information on this bill.

SPEAKER: Senator DeCamp, excuse me, do I understand that you are ready to take it up?

SENATOR DE CAMP: Actually I need about two minutes to catch my breath.

SPEAKER: That is alright, the Clerk will read the title while you are catching your breath.

CLERK: Read LB288.

SPEAKER: Senator DeCamp.

SENATOR DECAMP: Mr. President, a great deal of final information is being passed out at this moment that will answer any final questions. As I say in the last couple of years, three years now that this bill has been up in one form or another you have had a number of handouts that I think have adequately answered absolutely every question raised on the bill. Now one amendment that the bill drafter is preparing that has not been put on my desk yet is the amendment that would take the profits from this program and put it into something that the Legislature designated. One of the thing that I suggested in this amendment was a gasahol production development construction and a
